

Higashiagatsuma Town Tourist Information Spots

Information Guide is now available!

Information guide signboards have been placed at 10 sightseeing spots in Higashiagatsuma Town. You can view the information video by scanning the QR code on the Suisen-chan mark spots in the map on the back of this flyer.

If you find Suisen-chan, snap a photo of the two of you! Report your photo and get original goods!

When you find a Suisen-chan sightseeing guide signboard, take a photo of either the Suisen-chan signboard and sightseeing spot or the Suisen-chan signboard and selfie and notify the reporting location.

We will give a check card to the person who reported the photograph. Please visit the sightseeing spots as often as you like and take lots of photos. We will give you original goods according to the number of places you photograph.

Starting period: Monday, April 3, 2023
